CHICOPEE®

Lavette Plus

Strong and durable multipurpose cloths that can be washed and re-used

Chicopee® True Confidence™

The wipe's advanced open structure enables the pick up of larger dirt particles, yet also allows for easy rinsing, so it can be used over and over again. Bulkier than disposable colour coded cloths, Lavette Plus is comfortable to hold, with a quick-drying action reducing bacterial growth. It can also be washed and reused multiple times for excellent cost efficiency.

Lavette Plus

Multipurpose re-usable cloths

Problems

- Inferior disposable colour coded cloths cause high consumption and increase the time taken to clean
- Poor quality and low weight wipes often look cheap creating a poor hygiene image and clean ineffectively wasting staff time
- Many foodservice cloths are hard to rinse and keep clean, wasting time and causing cloths to develop odour quickly

Solutions

- Quality has not been compromised, strong enough to stand up to the task it helps improve efficiency and reduce waste
- Durable throughout the day, it can also be washed at 90°C while still retaining all of its cleaning ability
- The unique open structure and antibacterial activity ensures maximum dirt collection, whilst easily rinsable, ensuring Lavette Plus stays fresh for longer

All Chicopee Europe Foodservice products carry a voluntarily obtained FCC certificate, and can be intentionally used in contact with foods.
